## CONTRACT

THIS CONTRACT is entered into this \_\_\_\_\_ day of \_\_\_\_\_, 2005, by and between the BOARD OF COUNTY COMMISSIONERS, Monroe County, Florida, hereinafter referred to as the County, and Monroe Council of the Arts Corporation, d/b/a Florida Keys Council of the Arts, hereinafter referred to as Provider;

### WITNESSETH

WHEREAS, Provider has requested funding to supplement costs of tourist related programs,

NOW THEREFORE, in consideration of the mutual covenants contained herein, the parties agree as follows:

1. **TERMS**: The term of this contract is for a period of one year beginning October 1, 2005 and expiring on September 30, 2006.

2. **SCOPE OF SERVICES**: Provider shall provide the following services:

A) The administration and promotion of cultural/arts tourist related programs, including but not limited to: publishing and distribution for use by tourism industry of annual calendar of cultural events, a gallery guide and the quarterly *Who What When & Where* events guide, weekly cultural calendar information provided to print media keys-wide, brochure of locations/map of galleries/museums and other places of historic or cultural interest for tourists. Maintenance of cultural/arts information services that include Monroe Council of the Arts website ([www.keysarts.com](http://www.keysarts.com)). Provision of rotating displays of visual art at the Key West and Marathon airport and several public buildings, including the historic Gato Cigar Factory County Complex. Answering any inquiries from potential travelers or visitors looking for cultural information.

B) **LEASING OF THE CORAL SHORES PERFORMING ARTS CENTER**. This segment of the agreed services requires the Provider to facilitate the leasing by not-for-profit organizations of the Coral Shores Performing Arts Center ("Center") for tourist related events. Payment for the leasing of the Center shall be made after the fact, upon receipt from the Provider of documentation of the use of the Center, limited to direct rental/leasing costs including maintenance and box office costs for the Center for tourist related events, as described in the normal contractual terms of the Coral Shores Performing Arts Center rental policies, for an amount not to exceed \$3,000 per event i.e. whether that event has one or more performances. The total funding of the leasing of the Center for these events as defined shall not exceed \$30,000 per year. Provider shall submit to County for reimbursement under this agreement copies of the invoices and contracts entered into with the Coral Shores Performing Arts Center.

3. **COMPENSATION**: A) For the services described in 2A, above, the County shall provide an amount not to exceed \$42,500 per year for the period of October 1, 2005 through September 30, 2006, subject to any adjustment for an invoice as described in the last sentence of this paragraph. Payments will be in eleven (11) installments of \$3,541.63 and one (1) installment of \$3,541.67. Monroe County's performance and obligation to pay under this agreement is contingent upon an annual appropriation by the BOCC. Said payment shall occur in compliance with the Florida Prompt Payment Act upon the TDC Administrative Office receiving an invoice as outlined in Exhibit A. Included with the invoice shall be a statement verifying and certifying that the requirements and duties set forth within this agreement have been fully performed for the month for which the invoice is being submitted and that payment for the services have not been duplicated within other grant contracts with the BOCC, State of Florida Division of Cultural Affairs or the National Endowment of the Arts. B) Payment for the leased use of the Coral Shores Performing Arts Center, as described in 2B, above,

shall be made in compliance with the Florida Prompt Payment Act upon receipt from the provider of a proper invoice for an amount not to exceed \$3,000 per event as described in 2. B). If, at the end of the fiscal year, Provider has been able to achieve economies in the leasing of the Center and has not utilized the entire \$30,000 allocated for this function, the difference between the \$30,000 and the amount actually expended may be paid to the Provider, upon submission of an invoice (similar to that shown in Exhibit A) to the Tourist Development Council administrative office, contingent upon verification of the provision of tourist-related services.

4. **RECORDS – ACCESS AND AUDITS:** The Provider shall maintain all books, records, and documents directly pertinent to performance under this Agreement in accordance with generally accepted accounting principles consistently applied. The records to justify all charges, expenses and costs incurred in performing the work shall be maintained by the Provider for at least four (4) years after completion of this contract. The County shall have reasonable and timely access to such books, records, and documents concerning the contracted services. If an auditor employed by the County or Clerk determines that monies paid to Provider pursuant to this Agreement were spent for purposes not authorized by this Agreement, the Provider shall repay the monies together with interest calculated pursuant to Sec. 55.03, FS, running from the date the monies were paid to Provider.

(a) **PUBLIC ACCESS.** The County and Provider shall allow and permit reasonable access to, and inspection of, all documents, papers, letters or other materials in its possession or under its control subject to the provisions of Chapter 119, Florida Statutes, and made or received by the County and Provider in conjunction with this Agreement; and the County shall have the right to unilaterally cancel this Agreement upon violation of this provision by Provider.

5. **INDEPENDENT CONTRACTOR RELATIONSHIP:** The Provider, is and shall be, in the performance of all works, services, and activities under this contract, an independent contractor and not an employee, agent or servant of the County. The Provider shall exercise control, direction, and supervision over the means and manner and personnel in which it and its employees perform the work. In all respects, the "Provider's" relationship and the relationship of its employees to the County shall be that of an independent contractor and not as employees or agents of the County. Moreover, the Provider shall have no authority whatsoever to act on behalf and/or as agent for the County in any promise, contract, or representation other than specifically provided for in this contract. The County shall at no time be legally responsible for any negligence on the part of said Provider, its employees or agents, resulting in either bodily or personal injury or property damage to any individual, form, or corporation.

6. **MODIFICATION:** Additions to, modification to, or deletions from the Scope of Work and/or costs of work set forth in this contract may be made only by amendment to this contract which must be approved in writing by the County. No modification shall become effective without written approval of County.

7. **BREACH AND PENALTIES:** The parties agree to full performance of the covenants contained in this contract, and the County reserves the right at its discretion, provided any breach is material, to terminate the services in this contract for any misfeasance, malfeasance or nonperformance of the contract terms or negligent performance of the contract terms by Provider. Any waiver of any breach of covenants herein contained shall not be deemed to be a continuing waiver and shall not operate to bar the County from declaring a forfeiture for any succeeding breach either of the same conditions or covenants or otherwise.

8. **INDEMNIFICATION AND HOLD HARMLESS:** The Provider shall indemnify and hold harmless the County, their departments, agencies, officials, employees, agents, servants and contractors, against any claims, liabilities and expenses (including reasonable attorney's fees) arising as a result of any direct and/or indirect action of Provider, its employees, agents, servants and/or

contractors in the performance of the terms of this contract or otherwise related to activity conducted in the furtherance of this contract except to the extent that, in the case of any act of negligence, Provider reasonably relied upon material supplied by the County or any employee of County. Provider shall immediately give notice to County of any suit, claim or action made against Provider that is related to any activity under this contract and will cooperate with the County in the investigation arising as a result of any suit, claim or action related to this contract.

9. **LAWS AND REGULATIONS:** It shall be understood and agreed that any and all services, materials and equipment shall comply fully with all Local, State and Federal laws and regulations.

10. **TAXES:** The County is exempt from Federal, Excise and State of Florida Sales Tax.

11. **FINANCE CHARGES:** The County will not be responsible for any finance charges.

12. **SEVERABILITY:** If any term, covenant, condition or provision of this contract shall be held by a court of competent jurisdiction to be invalid or unenforceable, the remaining terms, covenants, conditions and provisions of this contract, or the application of such provision other than those as to which it is invalid or unenforceable, shall not be affected thereby; and each remaining term, covenant, condition and provision of this contract shall be valid and enforceable to the fullest extent permitted by law unless the enforcement of the remaining terms, covenants, conditions and provisions of this Agreement would prevent the accomplishment of the original intent of this Agreement. The County and Provider agree to reform the Agreement to replace any stricken provision with a valid provision that comes as close as possible to the intent of the stricken provision.

13. **FORCE MAJEURE:** The Provider shall not be liable for delay in performance or failure to perform in whole or in part, the services due to the occurrence of any contingency beyond its control or the control of any of its sub-Providers or suppliers, including labor dispute, strike, labor shortage, war or act of war whether an actual declaration thereof if made or not, insurrection, sabotage, riot or civil commotion, act of public enemy, epidemic, quarantine restriction, accident, fire, explosion, storm, flood, drought, or other act of God, act of any governmental authority, jurisdictional action, or insufficient supply of fuel, electricity, or materials or supplies, or technical failure where the Provider has exercised reasonable care in the prevention thereof, and any such delay or failure shall not constitute a breach of the contract. The Provider shall notify the TDC of any delay or failure to perform within five (5) days of such action. Upon demand of TDC, the Provider, must furnish evidence of the causes of such delay or failure. The Provider shall not resume its performance hereunder unless provided for in the Scope of Services.

14. **ASSIGNMENT:** Provider shall not assign, transfer, sublease, pledge, hypothecate, surrender, or otherwise encumber or dispose of this contract or any estate created by this contract or any interest in any portion of the same, or permit any other person or persons, company or corporation to perform services under this contract without first obtaining the written consent of the County. In the event of such consent, this contract shall be binding upon the Provider's successors and assigns.

15. **DISCLOSURE:** The Provider shall be required to list any or all potential conflicts of interest, as defined by Florida Statute 112 and Monroe County Ethics Ordinances. The Provider shall disclose to the County all actual or proposed conflicts of interest, financial or otherwise, direct or indirect, involving any client's interest which may conflict with the interest of the County.

16. **ADDITIONAL CONDITIONS:** Provider agrees to accept additional conditions governing the use of funds or performance of work as may be required by federal, state or local statute, ordinance or regulation or by other policy adopted by County. Such additional conditions shall

not become effective until Provider has been notified in writing and no such additional conditions shall be imposed retroactively.

17. **INDEPENDENT PROFESSIONAL JUDGEMENT:** Provider shall at all times exercise independent professional judgment and shall assume full responsibility for the service to be provided and work to be completed.

18. **CARE OF PROPERTY:** The Provider shall be responsible to the County for the safekeeping and proper use of the property entrusted to Provider's care, to include any and all insurance for the value of the equipment and any maintenance or service contracts relating to such equipment for its service life.

19. **ETHICS CLAUSE:** The Firm warrants that no person has been employed or retained to solicit or secure this contract upon an agreement or understanding for a commission, percentage, brokerage, or contingent fee and that no member of the Monroe County government or the TDC has any interest, financially or otherwise, in the Firm or its subcontractors. County agrees that officers and employees of the County recognize and will be required to comply with the standards of conduct for public officers and employees as delineated in Section 112.313, Florida Statutes, regarding, but not limited to, solicitation or acceptance of gifts; doing business with one's agency; unauthorized compensation; misuse of public position, conflicting employment or contractual relationship; and disclosure or use of certain information.

20. **COVENANT OF NO INTEREST.** County and Provider covenant that neither presently has any interest, and shall not acquire any interest, which would conflict in any manner or degree with its performance under this Agreement, and that only interest of each is to perform and receive benefits as recited in this Agreement.

21. **NO SOLICITATION/PAYMENT.** The County and Provider warrant that, in respect to itself, it has neither employed nor retained any company or person, other than a bona fide employee working solely for it, to solicit or secure this Agreement and that it has not paid or agreed to pay any person, company, corporation, individual, or firm, other than a bona fide employee working solely for it, any fee, commission, percentage, gift, or other consideration contingent upon or resulting from the award or making of this Agreement. For the breach or violation of the provision, the Provider agrees that the County shall have the right to terminate this Agreement without liability and, at its discretion, to offset from monies owed, or otherwise recover, the full amount of such fee, commission, percentage, gift, or consideration.
